Titan Elite All Star Cheerleading 2011-12

Athlete's Name: _____

Welcome to the North East's strongest growing All Star Cheer program!

As you are most likely already aware, All Star cheerleading is an intense sport that requires no less than 100% commitment from all of its participants; athletes, coaches, and parents, all play a crucial role in the success of this program. If, after reading the following, you feel that you are unable, or unwilling to make the commitment required, *on any level*, please **do not** sign, or return this to the office. However, if you are ready to accept the invitation we are giving, please sign, and return. No athlete will be permitted to participate without first signing and returning this form along with a Titan registration form.

Attendance: Please understand, any absence disables the team! These policies are for the competitive season beginning in September. You must notify us before practice if an athlete will miss.

- a. We try to be as understanding as possible regarding families. Please inform us of your vacation schedules as far in advanced as possible so that we can do our best to interfere as little as possible.**

- b. Absences occur for numerous reasons, all of which, from a certain point of view are legitimate. Unfortunately, our main concern is the strength and progress of this team. From September through April, all athletes are permitted two(2) excused absences. Any subsequent absences, legitimately excused or not, will incur a \$30 deduction from you attendance fee. When/if the attendance fee balance is \$0, that athlete will be removed from the roster.**

- c. Any athlete whom, by nationals, has a perfect attendance record will receive a \$25.00 credit toward their account. Please understand that perfect attendance requires full participation in**

practice. Athletes who attend practice but are unable to participate more than once, will not be deducted for an absence, but will also not be eligible for the credit.

*****initial here _____**

Any inappropriate behavior or conversation (by athlete, or parent) will be strictly and swiftly dealt with. All athletes and parents will exhibit good sportsmanship and respect for each other, the coaches and the facility at all times. All parents and spectators will conduct themselves in a dignified manner. Under no circumstance is any parent to enter the gym area.

Fundraising: Fundraising is available through-out the entire season, and only covers your athlete. You may do as much or as little fundraising as you like. At the end of the season, these funds are yours to do with as you wish. Levels: Competitive levels of each team will be determined by the coach, and may change during the season, depending on team needs.

Nationals: TBA.

Notifications: All notifications are sent via e-mail. Submitting a valid address is mandatory.
